WELCOME TO CEDARS

Nestled in the vibrant coastal town of Southend-on-Sea, Cedars Care Home is a purpose-built home combining modern comfort with a compassionate approach.

We offer a welcoming environment for residents and their families, together with the highest levels of Residential, Dementia and Respite care. With a dedicated team of experienced carers, we foster wellbeing through personalised care plans, meaningful activities, and a warm, family-like atmosphere, where our residents feel secure in the comfort of knowing that care and support is on hand 24 hours a day.

A varied activities programme ensures residents are able to live each day to the full, with lots of opportunities to socialise, continue much-loved hobbies, try something new or enjoy an exciting outing locally or further afield.

We are proud to offer a varied, nutritious menu, tailored to individual preferences and dietary needs.

48 spacious, en-suite bedrooms are thoughtfully designed to provide comfort, privacy and a true sense of home. Spread across three bright and welcoming floors, each room features a fully adjustable electric bed with easy-to-use handset controls, allowing residents to rest and relax in comfort.

A WARM WELCOME AWAITS

Our private landscaped gardens offer a tranquil retreat for residents to enjoy fresh air and good company.

At Cedars Care Home, recognise that every person's journey is unique, and we place great importance on open communication and family involvement at every stage, ensuring that our care is as personal and meaningful as possible.

We look forward to welcoming you
